

# SOIL TESTING – HOW TO DO IT

The Medina Soil and Water Conservation District  
will hold an evening training event

Tuesday, March 27th from 6:30-7:30 pm on soil testing.

Lafayette Township Hall

6776 Wedgewood Road (St. Rte. 162)

Medina.

The information will be helpful for cropland, pastures, hayfields,  
market gardens, home gardens, lawns and fruit production.

If you are interested in improving your nutrient management  
efforts, this will get you going in the right direction

## Topics covered

- why take a soil sample
- how to take a soil sample
  - where do I take it
- what do the numbers mean
- what is soil health and the 4R program

Speakers will be several employees of the Medina SWCD

*The event is free but please register by contacting us at 330-722-9316*
